

Region 21 Golden West – Convention & Competition
March 16-19, 2023 – Albuquerque, NM

Photography Instructions

*Freeze-Frame Photography is our exclusive photographer for the Region 21 Competition. There is a strict **no photography** policy in the Quartet and Chorus photo rooms and (as always) during the competition.*

- 1) Download the order form from the Region 21 Convention & Competition website.
<https://www.region21.org/regional-contest>
- 2) Each Quartet or Chorus will combine their orders and provide a single order form and check for payment to Lou Gordon, Competition Coordinator, at the combined briefing on Thursday evening March 16th. Checks should be made out to “Freeze-Frame Photography”. Enter Chorus or Quartet Name on the Memo line.
- 3) Directors and choreographers will be given an opportunity to see the setup in the Photo Room after the briefing Thursday evening so they can plan a pose.
- 4) Prints will be prepared, individually sleeved, and bulk-shipped to a single location for each Quartet or Chorus. Orders will be processed and sent in approximately 3 weeks after the convention.

A photo room will be provided, and your Assistance Chapter host will guide you there during the competition pattern.

Quartets: You should know which pose you want, or the photographer can help with some ideas or modifications. A variety of pictures will be taken; you’ll view the pictures on a monitor and select your favorite at that time.

Choruses: The photographer will take 4 pictures of each chorus with a flash after each one so the chorus knows that the pictures are being taken. The photographer will select the best photograph of the 4.

Satisfaction Guarantee – All orders placed will have a 7 day money back guarantee. Refunds will be made in the order payments were made, i.e. credit cards will have a credit applied and checks will have a refund check mailed. Mailing costs are not refundable. Digital Images are not refundable.
