Region 21 Spring Convention & Competition Photography Instructions

Official competition photos will be taken by Freeze-Frame Photography. All of the forms and instructions will be available on the [Region 21 Convention website](#). Completed one order form per quartet/chorus. The form and payment should be brought to the competition briefing on Thursday.

QUARTET PHOTOS: Quartet photos will be taken in the traffic pattern. Bring the completed form, with payment, to the briefing on Thursday night. You can also bring them to the photo room on Friday and submit them to the photographer at that time. Please have your quartet pose ready, as time in the photo room is limited.

CHORUS PHOTOS: Chorus photos will be taken onstage at the conclusion of your performance. Be sure to plan your pose ahead of time. Bring your completed form, with payment, to the joint briefing on Thursday night and submit them then. There will be no chance to give them to the photographer after your performance. **Important Photo and Posing Information:** Following the second song applause acceptance, the Director will move the chorus into the "Photo Pose." The chorus will hold the pose for four (4) flashes. Then the chorus will leave the stage.

A reminder that NO photographs or videos are allowed from any audience member during the competition, unless authorized by Sweet Adelines International. There is also a very strict "no photography" policy in the quartet photo room - no photos are to be taken by anyone other than Freeze Frame Photography.
